Dear Parents/ Carers,

"Look to the Future" Day Monday 27th March 2017

On Monday 27th March we are holding a "Look to the Future" day for KS3 pupils. The purpose of this day is to encourage pupils to think about their future choices with regard to post 16 education, future careers and jobs. We want this day to be informal and informative.

One part of the day will be for the pupils to hear talks of about 40 minutes from people from all walks of life, describing the job they do, why they do it, what are the good aspects and what are the not so good aspects. We are asking parents (or someone you know) who would be willing to talk to a small group of pupils to give us an hour of their time, if possible. There will be a teacher with every group and we are suggesting that the pupils have to guess the actual job title from what they hear. More guidance will be given to anyone who is able to come and help out.

If you feel you could support us or would like more information, please email me on: vld8@st-egwins.worcs.sch.uk.

Yours faithfully

PP Miss V Davis
