Name - J Fisher

Course - PgDipEd Primary

Placement - Y6

Please describe your expectations at the start of the placement.

To teach a range of subjects, up to 30% of the timetable. To be able to observe and discuss both teaching and behaviour management strategies with staff members. To attend staff meetings and training, have meetings with mentor to discuss issues targets and progress.

To what extent did St. Egwin's Middle School meet your expectations?

St Egwin's exceeded my expectations, they arranged for me to complete my course directed tasks and provided additional support when my partner left the placement. Staff always made time to discuss lessons with me, set targets and give feedback of my lessons. The school had several training sessions during my placement which I attended and these helped me to manage classes/ particular pupils more effectively.

Please give ratings for your experience (0 = not at all, 10 = very much so) and provide any comments you may have.
